## NOTICE OF HEARING

PERMANENT SUBCOMMITTEE ON INVESTIGATIONS

Mr. COLEMAN. Mr. President, I would like to announce for the information of the Senate and the public that the Permanent Subcommittee on Investigations of the Committee on Homeland Security and Governmental Affairs will hold a hearing entitled “Offshore Abuses: The Enablers, The Tools & Offshore Secrecy.”

The Subcommittee has held a number of hearings addressing the issue of tax havens and offshore abuses which are undermining the integrity of the Federal tax system, diverting tens of billions of dollars each year from the U.S. Treasury, and undermining U.S.

law enforcement. Hearings held in 2001 examined the historic and ongoing lack of cooperation by some offshore tax havens with international tax enforcement efforts and their resistance to divulging information needed to detect, stop, and prosecute U.S. tax evasion. A hearing held in December 2002 and report issued in January 2003 provided an in-depth examination of an abusive tax shelter used by Enron. Two days of hearings in November 2003, and a bipartisan report issued in 2005, provide an inside look at how some respected accounting firms, banks, investment advisors, and lawyers have become engines pushing the design, sale, and implementation of abusive tax shelters to corporations and individuals across the country.

The subcommittee’s upcoming August 1 hearings will present case histories on the use of offshore trusts and corporations to circumvent U.S. tax, securities and anti-money laundering laws. Witnesses for the upcoming hearing will be securities firms, banks, law firms, U.S. taxpayers, a trust protector, and tax and securities experts.

The subcommittee hearing is scheduled for Tuesday, August 1, 2006, at 9 a.m. in room 342 of the Dirksen Senate Office Building. For further information, please contact Raymond V. Shepherd III, staff director and chief counsel to the Permanent Subcommittee on Investigations, at 224-3721.
